It is time to begin the registration process for the PS & PK Programs. Please keep in mind the following:

- We have a very limited number of spots available for these programs.
- **There is a non refundable registration fee of \$100 per child to reserve their spot.**
The spot is not saved until we have both the registration paper and the fee back to the office.
- Priority will be given to current St. Mary's school families and to St. Mary's Parishioners (Deadline March 10th). Then enrollment will be open to members of surrounding Parishes (Deadline March 31st). After April 1st, it will be open enrollment until the classes are full.
 - For a child to be enrolled into the Preschool program they must turn three (3) before August 1st. Their date of birth should fall between August 1, 2020 and July 31, 2021.
 - For a child to be enrolled into the Pre-Kindergarten program they must turn four (4) on or before July 31st. Their date of birth should fall between August 1st, 2019 and July 31, 2020.
- Students need to be **potty trained** before school starts in August.
- The PS class will meet on Tuesdays and Thursdays.
- The PK class will meet on Wednesdays and Fridays.
- It is vital for the well being of the children and an expectation that our parents find a way to be involved within our school. Please look for ways to help with school events and to be active members of our Home & School group.

It is a real honor to work with the families of St. Mary's School. We enjoy each and every one of our children and we certainly hope that we may earn the pleasure of working with you to educate your children.
