2/13/2025

Dear Families,

It is time to begin the registration process for the PS & PK Programs. Please keep in mind the following:

- We have a very limited number of spots available for these programs.
- There is a non refundable registration fee of \$100 per child to reserve their spot.

Priority will be given to those who have been enrolled at St. Mary's already and to St. Mary's Parishioners (Deadline February 28th). Then enrollment will be open to our surrounding Parishes (Deadline March 15th). After March 15th it will be open enrollment until the classes are full.

- For a child to be enrolled into the Preschool program they must turn three (3) before August 1st. Their date of birth will fall between August 1, 2021 and July 31, 2022.
- For a child to be enrolled into the Pre-Kindergarten program they must turn four (4) before August 1st. Their date of birth will fall between August 1, 2020 and July 31, 2021.

As a general rule, students turning three by August 1st of the year of enrollment will be placed in preschool. Those turning four by August 1st of the enrollment year will be placed in pre-K.

** Children who have birthdays later in the academic year (May 1st or later) may be able to be enrolled in the younger class, but only after administrative review. For example, a student who will turn four on or after May 1st, prior to enrollment, could be considered for placement in preschool instead of pre-K per parental request and administrative review. Also, a student turning five on or after May 1st, prior to enrollment, could be considered for enrollment in the pre-K class instead of kindergarten, with administrative approval. This is a strict cutoff date for older admissions. Placement of a student in the younger class is not guaranteed and will depend on multiple factors including, but not limited to, class size. If a child is admitted to the younger class, he or she will need to continue with that age group while attending St. Mary's, so this decision should be carefully considered.**

- Students need to be potty trained before school starts in August. This means that the student can use the restroom on their own without assistance. We understand that accidents do sometimes occur, but if three bathroom accidents occur during the school year, it will be necessary to dismiss that student from the program until the next year.

It is a real honor to work with the families of St. Mary's School. We enjoy each and everyone of our children and we certainly hope that we may earn the pleasure of working with you to educate your children.

Registration on the back.

Parents Name: _____

Address _____

Phone Number _____

Email Address _____

Student Info:

PS, designate if you would like
half day.(Same price as Full Day.)

Name	Date of Birth	PS or PK Program
------	---------------	------------------

_____	_____	_____
-------	-------	-------

PS birthdates will fall between August 1, 2021 and July 31, 2022.

PK birthdates will fall between August 1, 2022 and July 31, 2023.
