3.THE RELIGIOUS RETIREMENT FUND is a charitable initiative designed to support aging members of the Catholic religious communities-such as sisters, brothers, and priests-who have dedicated their livess to service but often lack sufficient retirement savings. Many of these individuals worked for modest stipends in ministries like education, healthcare, and social outreach, without access to traditional pension plans. The fund provides financial assistance for daily living expenses, healthcare, and longterm care, helping ensure diginity and security in their later years. Contributions from parishes, donors, and organizations make it possible to address this ongoing need while honoring the lifelong commitment of these religious men and women.

5.SUICIDE PREVENTION AWARENESS MONTH:Every September, SAMHSA and other organizations observe Suicide Prevention Awareness Month. Suicide Prevention starts with all of us.
